

The Evil of Evolution

Genesis 1:1

In the beginning God created the heaven and the earth.

I Corinthians 2:7,10

7But we speak the wisdom of God in a mystery, *even* the hidden *wisdom*, which God ordained before the world unto our glory:

10But God hath revealed *them* unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God.

Romans 1:20

For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, *even* his eternal power and Godhead; so that they are without excuse:

“If we can be convinced that we came from apes then we have denied the Living God and made Him a liar
-all is lost” -REG

“I would encourage every believer, to investigate thoroughly the facts about creation because what you believe about creation is ultimately tied to what you believe about God and his Glorious Gospel”

-Dr. Vernon Cupps Ph.D Nuclear Physics

The Introduction to Genesis (and to the whole Bible) Genesis 1:1-2:3, ascribes everything to the living God, creating, making, acting, moving, and speaking. There is no room for evolution without a flat denial of Divine revelation. One must be true, the other false. All God's works were pronounced "good" seven times videlicet: Genesis 1:4,10,12,18,21,25,31. They are "great," Psalm 111:2. Revelation 15:3. They are "wondrous," Job 37:14. They are "perfect," Deuteronomy 32:4.

Man starts from nothing. He begins in helplessness, ignorance, and inexperience. All his works, therefore, proceed on the principle of **evolution**. This principle is seen **only in human** affairs: from the hut to the palace ; from the canoe to the ocean liner ; from the spade and ploughshare to machines for drilling, reaping, and binding, etc. But the birds build their nests to-day as at the beginning. The moment we pass the boundary line, and enter the Divine sphere, no trace or vestige of evolution is seen. There is growth and development **within**, but no passing, change, or evolution out from one into another. On the other hand, **all** God's works are **perfect**. E.W. Bullinger -*The Companion Bible*

Scientists have found that our bodies and our minds have both deteriorated significantly compared to our ancestors. In fact, just this week a very prominent professor at Cambridge University said that “our most highly trained athletes pale in comparison to these ancestors of ours”. – **Scientists Discover Proof That Humanity Is Getting Dumber, Smaller And Weaker**
By Michael Snyder, on April 29th, 2014

The biggest reason for this, of course, is the degradation of the human genome. Groundbreaking research by Dr. John Sanford of Cornell University and others has shown that our genes contain tens of thousands of mistakes (mutations), and with each passing generation even more errors are added and passed on. So it should be no surprise that our ancestors were bigger, stronger, faster and smarter. The truth is that they had better genes.- **Scientists Discover Proof That Humanity Is Getting Dumber, Smaller And Weaker** By Michael Snyder, on April 29th, 2014

Comparing our modern lives and technology with that of any preceding generation, one might think we are becoming increasingly smarter. But, in two papers published in *Trends in Genetics*, **Gerald R. Crabtree** of Stanford University **claims that we are losing mental capacity and have been doing so for 2,000–6,000 years!** The reason, Crabtree concludes, is due to genetic mutations—which are the backbone of neo-Darwinian evolution. - **Scientists Discover Proof That Humanity Is Getting Dumber, Smaller And Weaker** By Michael Snyder, on April 29th, 2014

I. Cosmos of Chaos

Evolutionist: Life was created from powerful natural processes and that by natural selection and because we all came from a common ancestor we adapted features similar to other creatures but still unique to our own species.

Creationist: One creator\designer (God YHVH) integrated similar designs into different creatures

Intelligent Design: holds that certain features of the universe and of living things are best explained by an intelligent cause, not an undirected process such as natural selection.

Isaiah 14:24

The LORD of hosts hath sworn, saying, Surely as I have thought, so shall it come to pass; and as I have purposed, so shall it stand:

When you observe the world around us, do you see randomness or design? It’s one or the other-it can’t be both.

- † Chance of simplest life imaginable evolving by chance is 1 in 10^{40,000}
- † Odds of life creating itself 1 in 10 followed by 1 billion zeros.
- † Probability of DNA chain arising by chance is 10⁶⁰⁰

Proverbs 3:19

The LORD by wisdom hath founded the earth; by understanding hath he established the heavens.

Ephesians 2:10

10For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

The beauty of creation is not random it is created for our enjoyment and pleasure. Creation is designed to be functional as well as beautiful. Animals for instance adapt only within their own kind, and the ability to adapt is built into their DNA. Nature doesn’t select, it is mindless. Selections are already designed into each creatures DNA. .- *Unlocking The Mysteries of Genesis, Institute for Creation Research.*

Psalms 104:24

O LORD, how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches.

II. Life

Evolutionist: Life starts by chemicals randomly aligning by chance with life evolving from a primordial soup and non-living chemical elements. We somehow are able to spontaneously combine to form reproducing cells. Evolutionists assume that non-life can create life. (this was proven wrong by experiments performed by Louis Pasteur) With evolution life ceases to have meaning, and death also is just another set of chemical reactions. Evolutionists would have you believe that life started with simple systems and evolved over millions of years into complex systems by random chance and through adaption, mutations, and natural selection.- *Unlocking The Mysteries of Genesis, Institute for Creation Research.*

Creationist: Life only comes from life. Life has a purpose.

- † Complexity of DNA and the fact that the essential ingredients for DNA construction were not available on this planet ,seems unlikely that life could have arisen gradually and merely by chance on earth.
- † DNA only produced by DNA.
- † Living cells are produced by other living cells. (Only life begets life.) No known laws of the universe can make something out of nothing.

The mechanisms of adaption, mutation, and natural selection fall far short in explaining vertical evolution. Adaptions only occur in features that already exists. Mutations don't create new DNA –they only alter DNA that already exists. EX. Beaks shapes adapt, but beakless birds don't grow beaks. Mutations also are seldom beneficial. If natural selection does anything at all it merely erases genetic options when members of populations die. The evidence points to God (YHVH) as the source of life-*Unlocking The Mysteries of Genesis, Institute for Creation Research.*

The mechanisms of Adaption, Mutation, and Natural Selection actually demonstrate the downhill nature –vertical devolution of creature changes over time. Just like the 2nd Law of Thermodynamics states, everything tends to go from order to disorder. *Unlocking The Mysteries of Genesis, Institute for Creation Research.*

- † 2nd Law of Thermodynamics (Law of Increased Entropy) States: the entropy of the universe always increases.
- † Entropy: Inevitable and steady deterioration of a system or society.

Psalms 102: 25-27

25Of old hast thou laid the foundation of the earth: and the heavens *are* the work of thy hands.
26They shall perish, but thou shalt endure: yea, all of them shall wax old like a garment; as a vesture shalt thou change them, and they shall be changed:

- † Theory of evolution is in direct contrast to the known absolute 2nd Law of thermodynamics.

“If you look at the theory of evolution you have an interesting conundrum there, because the theory of evolution says that we went from a very poorly ordered system (one-cell systems) to extremely complicated systems (the human being) over a long period of 500 million years. That would seem to not be in agreement with the whole idea of the Second Law of Thermodynamics.” – *Vernon Cupps, Ph.D Nuclear Physics.*

THE BREATH OF LIFE

Genesis 1:20-22, 24-28

20And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl *that* may fly above the earth in the open firmament of heaven.
21And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that *it was* good.
22And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth.

24And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

25And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that *it was* good.

26And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27So God created man in his *own* image, in the image of God created he him; male and female created he them.

28And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Genesis 2:7

7And the LORD God formed man *of* the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Job

4The Spirit of God hath made me, and the breath of the Almighty hath given me life.

There is no chance or randomness with God. No riddles without answers. No life without meaning- we're born, we live, we die. With God we have a purpose and our lives have meaning beyond the self-gratification, lusts and desires of this world. We are purposed for more than this earthly life and the Bible tells of our purpose and it has the answers for those that seek knowledge. The Bible reveals how we came to be, where we are, and what our future holds and who holds it. The Bible tells us that if we believe in Jesus the Son of God and accept Him as our Savior we shall have Eternal Life with God.

John 3:15 -16

15That whosoever believeth in him should not perish, but have eternal life.

16For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

III. Adam (The Uniqueness of Mankind)

Genesis 1:27

27So God created man in his *own* image, in the image of God created he him; male and female created he them.

From Chimpanzee to Human?

Evolutionist: Supposed human DNA similarities to chimpanzees prove that we evolved and weren't specially created. It is common to hear that chimpanzee DNA is 98-99% similar to human DNA.

Creationist: The 98-99% commonality between human and chimpanzee DNA is not based on the whole genome. These percentages are based on the segments of the genome that are very similar while neglecting the other segments that are different. When the whole genome between human and chimpanzee is compared there is only 70% that is similar.

God made both animals and people, but humans are the only creatures created to have fellowship with God through Jesus Christ-this gives our life meaning. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Philippians 2:13

13For it is God which worketh in you both to will and to do of his good pleasure.

Evolutionist: process occurs over a long period of time. Differences in organisms result from natural selection, adaptations, and mutations. Similar design indicated common ancestor. Humans are merely complex animals. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationist: none of the steps in evolution have ever been demonstrated in the lab. Evolution happens too slowly to be observed-by evolutionists own admission-and therefore falls outside of science. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists; Physical, emotional, intellectual, and spiritual differences clearly separate humans from animals. Evidence indicates that only humans are made in the image of God and designed for fellowship with Him-and that gives us meaning. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

1Corinthians 1:9

God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord

On The Origin of Species- "if it could be demonstrated that any complex organ existed, which could not possibly have been formed by numerous, successive, slight modifications," his "theory would absolutely break down" -*Charles Darwin*

"Irreducible Complexity" -- "a single system composed of several well-matched, interacting parts that contribute to the basic function, wherein the removal of any one of the parts causes the system to effectively cease functioning."

- † The Heart- the heart pumps blood which is essential for life. The heart could not have evolved over time it had to function completely from creation for life. Without the heart there is no circulation of the blood which is essential to life, for life is in the blood.

Leviticus 17:11

For the life of the flesh is in the blood:

Other examples of irreducible complexity

- † The cell
- † The brain
- † Tears
- † The eye

Adam (mankind) was created in the image of God, distinct from animals. The lie of Satan is that we are nothing special but only an accident, a happen stance in this big universe created by a roll of the cosmic dice. There is no purpose for us but to live for the day and satisfy the lust of the flesh, lust of the eyes, and the pride of life. But God created us for a purpose our lives do have meaning. We are a unique creation to God.

Ephesians 1:4-5

4According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love:

5Having predestinated us unto the adoption of children by Jesus Christ to himself, according to the good pleasure of his will,

Ephesians 2:10For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

IV. The Fossil Record

Genesis 7:19

And the waters prevailed exceedingly upon the earth; and all the high hills, that *were* under the whole heaven, were covered.

The fossil record tells us much by what it shows us and well as by what it does not show us.

What it shows:

- † Shows complete creatures. There are no transitional forms (missing links) in the fossil record.
- † Lack of decay in fossil record indicates rapid burial of creatures.

What it doesn't show:

- † Geologic column exposes missing evidence needed to support evolution (transitional fossils\missing links).
- † Soft tissue found in fossils indicate death in much shorter time period than in the millions of years proposed by evolution.

Evolutionist: Burial process of fossils was slow and gradual over time. There should be transitional forms or missing links.

Creationist: Evidence indicates a massive mudflow, the instant burial of creatures, rapid and wholesale devastation and worldwide death consistent with Noah's flood. No transitional fossils or missing links found. What is found is fully formed life in fossil record.

Evolutionist: Gaps in the geologic layers called "unconformities" as explained by evolutionists as having been never deposited or eroded away. This is where the transitional fossils or missing links have been lost.

Creationist: There are no missing gaps (unconformities) in the geologic layers. When the fossil record is understood as flood deposits the supposed missing layers\unconformities and missing gaps in time vanishes.

Genesis 7:20-21

20Fifteen cubits upward did the waters prevail; and the mountains were covered.

21And all flesh died that moved upon the earth, both of fowl, and of cattle, and of beast, and of every creeping thing that creepeth upon the earth, and every man:

2Peter 3:5-6

5For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:

6Whereby the world that then was, being overflowed with water, perished:

V. The Flood

Genesis 7:17-20, 24

17And the flood was forty days upon the earth; and the waters increased, and bare up the ark, and it was lift up above the earth.

18And the waters prevailed, and were increased greatly upon the earth; and the ark went upon the face of the waters.

19And the waters prevailed exceedingly upon the earth; and all the high hills, that *were* under the whole heaven, were covered.

20Fifteen cubits upward did the waters prevail; and the mountains were covered.

24And the waters prevailed upon the earth an hundred and fifty days.

Genesis 8: 2-5

2The fountains also of the deep and the windows of heaven were stopped, and the rain from heaven was restrained;

3And the waters returned from off the earth continually: and after the end of the hundred and fifty days the waters were abated.

4And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat.

5And the waters decreased continually until the tenth month: in the tenth *month*, on the first *day* of the month, were the tops of the mountains seen.

Evolutionist: Uniformitarianism assumes that the same natural laws and processes that operate in the universe now have always operated in the universe in the past and apply everywhere in the universe. "the present is the key to the past" and is functioning at the same rates. Changes have been slow gradual over millions of years, and at a constant rate.

Creationist: the Earth's geology and climate has been affected in the past by sudden, short-lived, violent events, possibly worldwide in scope. The past is very different from what we see today. Geological formations such as the Grand Canyon caused by worldwide catastrophe's such as the flood of Noah.

Evolutionist: The separation of continents was a slow and gradual process.

Creationist: The catastrophic tectonic plate model is characterized by rapid floodwaters draining into today's oceans and 'runaway subduction' of crustal plates deep beneath the Earth's surface that contributed to swiftly separating continents for a time during the flood. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Both secular and creation scientists believe that there has been major catastrophic flooding in Earth's past and that at one time all the earth's continents were linked together to form a 'super-continent'. The evolutionists and uniformitarians believe the flood never happened and that the geological processes we see today have always been in the works and these processes are uniform, gradual and consistent over time. God's word contradicts these beliefs:

2Peter 3:4-6

4And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as *they were* from the beginning of the creation.

5For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:

6Whereby the world that then was, being overflowed with water, perished:

VI. A Young Earth

Genesis 1:1, 31

1In the beginning God created the heaven and the earth.

31And God saw every thing that he had made, and, behold, *it was* very good. And the evening and the morning were the sixth day.

Exodus 20:11 For *in* six days the LORD made heaven and earth, the sea, and all that in them *is*, and rested the seventh day: wherefore the LORD blessed the sabbath day, and hallowed it.

Exodus 31:16-17

16Wherefore the children of Israel shall keep the sabbath, to observe the sabbath throughout their generations, *for* a perpetual covenant.

17It *is* a sign between me and the children of Israel for ever: for *in* six days the LORD made heaven and earth, and on the seventh day he rested, and was refreshed.

God's word tells us that He made the heaven and earth in 6 days. So what is a day. Could God be saying that a day stands for a year, a week, 1000 years? No.

The word "day" may refer to a prolonged period of time when used without any qualifying words. But when qualified with a numerical (cardinal or ordinal) it is defined and limited by it to a day of 24 hrs. It is further limited here by its boundaries "evening and morning" as well as by the 7th day. *The Companion Bible, E.W. Bullinger*

Evolutionist: Age date conclusions are based on methods that use radioactive elements and present day lab measurements of how fast these elements change into other elements. Uranium is a commonly used radioactive element that slowly decays into lead and helium. Secular scientists assume that this change rate has been constant ever since earth came into existence. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationist: Compelling evidence has been found that the uranium lead change rate was dramatically higher in the past by a factor of a billion or more than it is today. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

CARBON 14

Radiocarbon, or carbon 14, is an isotope of the element carbon that is unstable and weakly radioactive. The stable isotopes are carbon 12 and carbon 13. Carbon 14 is continually being formed in the upper atmosphere by the effect of cosmic ray neutrons on nitrogen 14 atoms. It is rapidly oxidized in air to form carbon dioxide and enters the global carbon cycle. Plants and animals assimilate carbon 14 from carbon dioxide throughout their lifetimes. When they die, they stop exchanging carbon with the biosphere and their carbon 14 content then starts to decrease at a rate determined by the law of radioactive decay.

If the earth and animals be millions of years old there should be no carbon 14 in the fossil remains or earth materials, yet there is and this would indicate the age in thousands of years not millions\billions, and is evidence of a mass extinction due to a cataclysmic event such as Noah's flood.

Evolutionists: Carbon 14 found in most fossils must be a contaminant. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists: Because of its faster decay rate and thus shorter shelf life, finding carbon 14 in fossils, coal, oil, natural gas, and diamonds demands dates of thousands, not billions of years. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

VII. Leviathans, Dragons, and Behemoths

Job 40:15-18

15 Behold now behemoth, which I made with thee; he eateth grass as an ox.
16Lo now, his strength *is* in his loins, and his force *is* in the navel of his belly.
17He moveth his tail like a cedar: the sinews of his stones are wrapped together.
18His bones *are as* strong pieces of brass; his bones *are* like bars of iron.

Evolutionists: Dinosaurs were part of the Mesozoic Era, beginning about 225 million years ago and ending in mass extinction at the end of the Cretaceous Period around 65 million years ago. Dinosaurs lived and died before man ever existed. Dinosaurs' skeletal similarities are evidence of evolution and of a common ancestor. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists: According to Genesis God created the earth, man, and all living creatures in the six days of creation; this would include dinosaurs. Many historical records indicate that man had clashes with dinosaurs even after the flood. The skeletal structure of modern reptiles compared to that of dinosaurs show that each was uniquely designed. Scientists have described dozens of soft tissue fossils, all assigned millions-year ages. These discoveries raise serious questions about the actual age of fossils, discredit evolution, and point to creation. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Evolutionists: Dinosaurs became extinct due to an asteroid hitting the earth and changing the climate and food supply. Secular scientists believe strata containing dinosaur fossils were caused by local floods and other small catastrophes separated by millions of years. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists: Dinosaurs are found in layer upon layer of rocks deposited by water over every continent of the world because they were rapidly buried in the year-long global flood. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Genesis 1:20-25

20And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl *that* may fly above the earth in the open firmament of heaven.
21And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that *it was* good.
22And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth.
23And the evening and the morning were the fifth day.
24And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.
25And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that *it was* good.

VIII. Origin of Man (Confounding of languages and his dispersion)

Gen 1:26-27

26And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27So God created man in his *own* image, in the image of God created he him; male and female created he them.

Evolutionist: Humans and apes shared a common ancestor millions of years ago. The first anatomically modern human, *Homo sapiens*, originated in Africa about 200,000 yrs. ago. Humans can be traced to common matrilineal ancestor population nicknamed Mitochondrial Eve and a common father population Y-chromosome Adam. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists: We all descended from Adam and Eve and Noah's sons and their wives. Our common ancestors were Adam and Eve. The genetic lineages don't have to tie to populations but to these literal individuals, reinforcing the Bible's accuracy. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Evolutionists: Humans migrated out of Africa partly due to changes in climate and food supply. Man's global dispersal led to more genetic diversity and the development of races. Symbolic and written languages developed 40,000-50,000 years ago. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists: The earth was populated by Noah and his descendants. Shem's descendants inhabited the Middle East, Ham's descendants populated Africa and Asia, and Japheth's descendants settled in Europe. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Genesis 9:18-19

18And the sons of Noah, that went forth of the ark, were Shem, and Ham, and Japheth: and Ham is the father of Canaan.

19These *are* the three sons of Noah: and of them was the whole earth overspread.

Evolutionists: The enforced segregation of mankind into small inbreeding tribal units would have generated a rapid development of distinctive physical characteristics associated with each tribe. Genetic and geographic isolation also led to each tribe developing its own culture, tools, and ways of life. The caveman era saw primitive pre-humans evolving languages and cultures. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

Creationists: The Tower of Babel was followed by a short time of primitive living when tribes gathered in "survival communities". Distinctive physical characteristics arose due to isolation of families after the dispersion. Archaeological evidence of cavemen continually shows their sophisticated cultures. Some cultures used pre-Babel knowledge to quickly develop new civilizations. *Unlocking The Mysteries of Genesis, Institute for Creation Research*

After the flood the nations were divided by the sons of Noah after their generations. They were given the isles of the gentiles (Europe – Japheth)

Genesis 10:32 These *are* the families of the sons of Noah, after their generations, in their nations: and by these were the nations divided in the earth after the flood.

Genesis 10:5 By these were the isles of the Gentiles divided in their lands; every one after his tongue, after their families, in their nations. (this was after the confusion of languages and dispersion of Genesis 11:5-9)

It was God who dispersed mankind from the land of Shinar due to the evil imaginations and humanistic arrogance of man to build a city and a tower whose top would reach heaven. God confused their language to confound their efforts. The nations were formed by this dispersion.

Genesis 11:5-9

5And the LORD came down to see the city and the tower, which the children of men builded.

6And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.

7Go to, let us go down, and there confound their language, that they may not understand one another's speech.

8So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city.

9Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.

Man was created as one kind. Race is not a biblical concept but a concept of man and a dangerous one at that, for it is the belief that one race is better than another that led to *eugenics* and the extermination of people thought to have less desired traits and of inferior stock.

Act 17:26 And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation;

DIFFERENCES IN HUMAN CHARACTERISTICS

Biologists determine species (among other ways) by including in a species all individuals that are capable of interbreeding to produce fertile offspring. There is only one species of man on the Earth—*Homo sapiens*. That, on the face of it, is an interesting fact. Anthropologists and biologists place all races in existence today into a single species, which points to the fact that the differences between human races are not really all that great. Members of all races can intermarry and produce fertile offspring. Most people, when they speak of a “race,” refer to the racial characteristic of skin coloration. For the purpose of the present discussion, we will limit our discussion, for the most part, to the origin of such a characteristic (being careful to do so only in an accommodative sense). In humans, skin color is caused by melanin. But that pigment is controlled in its production mainly by two pairs of genes. Geneticists designate them as Aa and Bb, where the capital letters represent dominant genes and the small letters represent recessive genes. A and B, being dominant, produce melanin very well. Being recessive, a and b produce melanin to a lesser degree. If Adam and Eve were both AABB, they could have produced only children that were the darkest Negroid coloration possible, and they themselves likewise would have been Negroid. That (barring genetic mutations) would have produced a world composed only of Negroid people, but the Negroid race composes less than 10% of the world’s population, so by a process of elimination, this choice can be ruled out. If Adam and Eve had both been aabb (again, barring genetic mutations), they could have had only children who were aabb and who were the lightest Caucasoid coloration possible. Then, the world would contain no other groupings. But it does. So, this option also can be ruled out by a process of elimination. The real question is this: Is there a mechanism by which the racial characteristics that we see today could have originated with one human couple—in the short, few-thousand-year history of the Earth? **YES.** If Adam and Eve had been “heterozygous” (AaBb; two dominant, two recessive genes), they would have been middle-brown in color. And, from them—in one generation—racial differences easily could have occurred. From these possibilities, one theoretically could obtain the following:

- 1 – Darkest Negroid
- 1 – Lightest Caucasoid
- 4 – Light
- 4 – Dark
- 6 – Medium skin

A person born AABB carries genes for the darkest Negroid coloration possible, and since all genes are dominant, has no genes for lightness. If that person married another person who similarly carried all dominant genes, and moved to an area where no intermarriage with people of different colors occurred, the offspring resulting from this marriage then would carry the same dominant genes and would have “lost” the ability to be “white.” Conversely, if a person who is aabb (and hence the lightest Caucasoid possible) marries another person who likewise carries all recessive genes, and moves into an area where

no intermarriage with people of other colors occurs, hence for ward this union will produce only offspring of the lightest possible Caucasoid coloration. The offspring so produced would have “lost” the ability to be “black” since they no longer possessed the genes necessary to produce enough melanin for the black color. Thus, starting with two parents who were heterozygous (i.e., middle-brown in color), extreme racial colors (black and white, to name only two examples) could be produced in such a way that races would have permanently different colors. Of course, it also is possible to produce a middle-brown race that will have a fixed middle-brown color. If the original middle-brown parents produced offspring of either AAbb (or aaBB), and these offspring married only their own kind (i.e., avoiding intermarriage with those not of their own genetic makeup), their descendants would be a fixed middle-brown color. The whole process is “put into reverse,” however, when people from different colored races intermarry. Different combinations of genes (i.e., different from those originally carried by the two parents) occur, and the offspring thus begin to show a rainbow effect of skin colors, ranging from black to white. Is it likely that people of various colorations intermarried? The preponderance of so many colorations in the world is evidence a plenty that they did. -*Lesson 6 The Origin of Human “Races” and Blood Groups*, https://apologeticspress.org/pdfs/courses_pdf/hsc0306.pdf

All peoples can interbreed and produce fertile offspring. This shows that the biological differences between the “races” are not very great. In fact, the DNA differences are trivial. The DNA of any two people in the world would typically differ by just 0.2 percent. -*J.C. Gutin, “End of the Rainbow,” Discover, November 1994, pp. 71-75.*

VIII. The Universe & The Earth

Evolutionists believe that the universe was created billions of years ago by a super explosion (the big bang) and out of this massive explosion came order, design, and precision, and a finely tuned system that we see today. However there are many problems with this belief. First, all of the most powerful natural phenomena we observe today such as tornados, hurricanes, earthquakes, bring about destruction and chaos, not order. Also where did this spark of energy come from that created the big bang? The evolutionist have no answer.

There are answers to these questions in the Bible. The book of Genesis states how God created Time, Space and Matter on the First Day. The creator of our universe is an all knowing, all powerful, all loving God, who created the universe and everything in it.

Genesis 1:14-17

14 And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: *he made* the stars also.

17 And God set them in the firmament of the heaven to give light upon the earth,

Evolutionists: The universe which was a hot, formless goo consisting of elemental particles came into existence 13.8 billion years ago with a massive explosion and as it cooled, neutrons, protons, atoms, stars and galaxies developed. Out of chaos came order.

Creationists: The book of Genesis describes how God (YHVH) spoke the universe into existence and created Space, Time, and Matter, on the First Day of creation.

Genesis 1:1 In the beginning God created the heaven and the earth.

Genesis 8:22 While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.

Psalms 74:16 The day is thine, the night also is thine: thou hast prepared the light and the sun.

The natural observable phenomena we observe today volcano eruption, earthquakes, hurricanes are destructive and do not create but destroy. The Law of Entropy shows that the universe can't be billions of

years old because during that amount of time the energy would have transferred into a useless state. Evidence indicates that the universe is much younger than the “big bang” theory requires, and actually fits into the Biblical timeframe:

- † Comets lose mass with each orbit around the sun. If the solar system is billions of years old , these comets should no longer exist.
- † Blue Stars burn so brightly that they should have burned out long ago if the universe is really billions of years old. (Evolutionists claim that blue stars are being formed, but this has never been observed)
- † The centers of Spiral galaxies rotate at a faster rate than their arms. If these galaxies were truly billions of years old they would have formed into disk shaped galaxies by now, and the spiral arms would be twisted and unrecognizable by now.

Isaiah 40:26 Lift up your eyes on high, and behold who hath created these *things*, that bringeth out their host by number: he calleth them all by names by the greatness of his might, for that *he is* strong in power; not one faileth.

The Earth

Psalms 115:16 The heaven, *even* the heavens, *are* the LORD'S: but the earth hath he given to the children of men

Genesis 1:9-10

9 And God said, Let the waters under the heaven be gathered together unto one place, and let the dry *land* appear: and it was so.

10 And God called the dry *land* Earth; and the gathering together of the waters called he Seas: and God saw that *it was* good.

Evolutionists: Everything in the universe arose from random processes and chaos.

Creationists: There is no observational or experimental evidence that any other planet is remotely capable of sustaining life.

Anthropic Principle: The universe appears designed for human life. A preponderance of physical evidence points to humanity as the central theme of the cosmos.

- † Distance from the earth to the sun must be just right. Too near and water would evaporate too fast and earth would be too cold for life. A change of only 2% or so and all life would cease.
- † Planet must rotate at the right speed: too slow and temperature differences between day and night would be too extreme, too fast and wind speeds would be disastrous.
- † Orbital Distance of planet averages 93 billion miles from the sun and is fairly circular so that the distance never changes in any significant way. If our orbit changes in any extreme way as it does on other planets outside the solar system the oceans would boil at the closest point to the sun and freeze at the farthest distance from the sun.
- † Surface gravity and temperature are critical to within a few percent for the earth to have a life sustaining atmosphere, retaining the right mix of gases necessary for life.
- † Our atmosphere maintains thermal equilibrium which sustains life and protects us from space debris.
- † Size of the moon is designed perfectly, if moon were bigger or closer to earth huge tides would overflow low lands and erode mountain ranges.

- † The earth's tilt of 23.4 degrees relative to its orbit around the sun is perfect for sustaining life. Less tilt the habitable regions would be reduced, and a greater tilt would cause the seasons to be too extreme.

The earth was created by God for man to inhabit, and have dominion over. It was created by design and not by chance. It was created in order and not out of chaos. It is special to God. God spent five days creating the earth and only one day creating everything else.

Isaiah 45:18 For thus saith the LORD that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I *am* the LORD; and *there is* none else.

X. The Bible and Science

The Bible describes the physical world accurately. Many remarkable scientific principles are described in the Bible hundreds to thousands of years before they were proved to be true by science. This is because God's word is true and it is the only explanation that fits the reality in which we live. The Bible and science are not in conflict. True science confirms the Word of God. We are warned as was Timothy to beware of false science, of which evolution is prominent. **1 Timothy 6:20** O Timothy, keep that which is committed to thy trust, avoiding profane *and* vain babblings, and oppositions of science falsely so called:

THE BIBLE AND SCIENCE IN HARMONY

Cosmology\Astronomy

Scientific Principle: Time had a beginning

Biblical References:

II Timothy 1:9

9 Who hath saved us, and called *us* with an holy calling, not according to our works, but according to his own purpose and grace, which was given us in Christ Jesus before the world began,

Titus 1:2

2 In hope of eternal life, which God, that cannot lie, promised before the world began;

I Corinthians 2:7

7 But we speak the wisdom of God in a mystery, *even* the hidden *wisdom*, which God ordained before the world unto our glory:

Scientific Principle: The universe has a beginning.

Biblical References:

Genesis 1:1

1 In the beginning God created the heaven and the earth.

Genesis 2:4

4 These *are* the generations of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens,

Isaiah 42:5

5 Thus saith God the LORD, he that created the heavens, and stretched them out; he that spread forth the earth, and that which cometh out of it; he that giveth breath unto the people upon it, and spirit to them that walk therein

Scientific Principle: the universe is winding down and will wear out. (2nd law of thermodynamics ensures that the universe will run down due to "heat death"-maximum entropy.)

Biblical Reference:

Psalms 102: 25-27

25 Of old hast thou laid the foundation of the earth: and the heavens *are* the work of thy hands.

26 They shall perish, but thou shalt endure: yea, all of them shall wax old like a garment; as a vesture shalt thou change them, and they shall be changed:

27 But thou *art* the same, and thy years shall have no end.

Scientific Principle: every star is different

Biblical Reference

I Corinthians 15:41

41 *There is* one glory of the sun, and another glory of the moon, and another glory of the stars: for *one* star differeth from *another* star in glory.

Scientific Principle: earth is suspended in space

Biblical Reference:

Job 26:7

7 He stretcheth out the north over the empty place, *and* hangeth the earth upon nothing.

Earth Sciences

Scientific Principle: the water cycle

Biblical References:

Ecclesiastes 1:7

7 All the rivers run into the sea; yet the sea *is* not full; unto the place from whence the rivers come, thither they return again.

Isaiah 55:10

10 For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater:

Job 36: 27-28

27 For he maketh small the drops of water: they pour down rain according to the vapour thereof:

28 Which the clouds do drop *and* distil upon man abundantly.

Scientific Principle: air has weight

Biblical Reference:

Job 28:25

25 To make the weight for the winds; and he weigheth the waters by measure.

Scientific Principle: winds blows in circular paths

Biblical Reference:

Ecclesiastes 1:6

6 The wind goeth toward the south, and turneth about unto the north; it whirleth about continually, and the wind returneth again according to his circuits.

Biology

Scientific Principle: life of creatures is in the blood

Biblical Reference:

Leviticus 17:11

11 For the life of the flesh is in the blood: and I have given it to you upon the altar to make an atonement for your souls: for it is the blood *that* maketh an atonement for the soul.

Conclusion

At the root of all the 'ism's (evolutionism, naturalism, materialism, relativism, transhumanism, atheism) is the lie spawned by Satan himself in the Garden of Eden **Genesis 3:5** "*For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods*" – HUMANISM. Humanism the belief that we shall be as gods is Satan's great deception. The evolutionists-from ape to god, and for the naturalists all things come from natural properties and causes 'matter' is all that matters. For the relativists just do what you feel, morals are determined by culture not an absolute truth. Transhumanist play god while denying God. They seek to improve man from 'homo sapiens' to 'homo perfectus' through genetic engineering and technology. They have become intellectually reprobate. The atheist will have accountability to no god for their isn't one in their religion. It is the atheists that are most suited for the deception of evolutionism, for in evolutionism there is no higher authority and therefore no accountability. We are here by chance with no purpose other than to fulfill the carnal nature while choking out the spiritual nature with self-deception and the lusts of the flesh-eat, drink, and be merry for tomorrow we die. The deception of Satan has known many names.... 'science so called' being the most deceiving.

Pseudo-science is nothing other than evolutionism, which has been in "oppositions" against God as Savior and Creator and the world as His creation since the beginning of time. In Paul's day, it mainly took the form of Epicureanism (based on atheistic evolutionism) and Stoicism (based on pantheistic evolutionism). It soon would take the form of Gnosticism and later of Neo-Platonism, both also assuming evolution. In other parts of the world, it had the form of Taoism, Hinduism, Confucianism, or Buddhism, all based squarely on some form of pantheistic evolution and an infinitely old cosmos. In recent times it assumed the form of Darwinism, though men are now returning again to various forms of eastern religion and their systems of pantheistic evolution, still rejecting God as Creator and Christ as Savior.

Evolution is evil in that it denies the Living God (YHVH). Those that adhere to evolution, transhumanism (which seeks to advance man to Homo Perfectus through genetic engineering and technology), naturalism, and all the other religions\beliefs do so because they elevate man and diminish God. They want no accountability to God and deny their creator-worshipping the creation more than the creator.

Evolution at its worst denies God and makes Him a liar and at the least casts Him as a bumbling creator whose initial creation was full of errors, mistakes and has to be corrected by death and time, lots of death and lots of time-billions of years of time. To the evolutionists the process of evolution is straightening out Gods mistakes and failures. The transhumanist will improve what God created (if they even believe in God-YHVH) and make man better. This is a dangerous belief considering God created man in His image. Those who adhere to evolution, transhumanism, naturalism, are willing to believe and be accountable to anything but God, elevating man and nature. The worldviews of the evolutionists, transhumanists, naturalists, atheists and all other false beliefs can be summed up in the words of the economists and social theorists Jeremy Rifkin:

“We no longer feel ourselves to be guests in someone else’s home and therefore obliged to make our behavior conform to a set of pre-existing cosmic rules. It is our creation now. We will make the rules. We establish the parameters of reality. We create the world, and because we do, we no longer feel beholden to outside forces. We no longer have to justify our behavior, for we are now the architects of the universes. We are responsible to nothing outside ourselves, for we are The Kingdom, The Power, and The Glory Forever and Ever” – *Jeremy Rifkin* (“**and ye shall be as gods-Satan** –Genesis 3:5)

Those that deny the creation of God have been blinded to the evidence of Gods design by the evil one **2Corinthians 4:4** *In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.* They are willingly ignorant **2Peter 3:5** *For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water:* For the creation itself testify of God and His creative powers **Romans 1:20** *For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:*

God has testified of Himself through His creation and the invisible things of God unseen by the eyes are clearly seen by the heart of those that believe. God created mankind for a purpose and He put us upon this earth to fulfill His purpose in us. We are made in His image and He wants a personal relationship with His creation. Through the shed blood of Jesus Christ and our belief in Jesus as the Son of God and His redeeming work on the cross for the sins of the world we can have that relationship and be reconciled to God for eternity. Do not be deceived by Satan and his lies that you shall be as gods (humanism, transhumanism) or that you are here by random chance and have no purpose other than satisfying the fleshly need of the body (evolution, naturalism). Remember... You are special and DO HAVE A PURPOSE.

John 3:16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

John 15:16 Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and *that* your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you.

BELIEVE
